About Phosboucraa Foundation

Phosboucraa Foundation was created in May 2014 to operate for the well-being of the communities in the 3 Southern regions of Morocco. Since our founding, we have developed sustainable locally-relevant programs covering the region of Guelmim Oued Noun, Laayoun Sakia El Hamra and Dakhla Oued Eddahab.

All our team members work together towards a common goal, reply to the unique needs of Morocco's Southern regions communities through adapted tailored programs.
